

1-3 JULY 2024 PATRAS APPLIED MICROECONOMICS

Inaugural Workshop

The [Department of Economics](#) at the [University of Patras](#) in collaboration with [King's College London](#) and the gentle backing of the [Hellenic Observatory \(LSE\)](#), are delighted to announce the inaugural **Patras Applied Microeconomics (PAM)** Workshop. **PAM** Workshops aim to bring together researchers and academics to provide a platform for knowledge sharing, collaboration, and exploration of new findings in applied microeconomics research. **PAM** Workshops focus on the empirical application of microeconomic theories and methodologies that address policy-relevant research questions, and contribute to the understanding of microeconomic behaviour, market dynamics, policy interventions, and their implications for decision-making and welfare outcomes. Emphasis will be given to submissions related to Labour Economics, Economics of Education, and Health Economics. However, submissions from other fields of applied microeconomics are also welcome.

CALL FOR PAPERS

IMPORTANT DATES:
February 20, 2024
March 30, 2024
April 30, 2024

KEYNOTE SPEAKER:
Gianmarco León-Ciliotta
Universitat Pompeu Fabra

ORGANISING COMMITTEE:
Ioannis Laliotis
Dimitrios Minos
Nicholas Giannakopoulos
Vassilis Monastiriotis

upatras.gr](https://pamworkshop.upatras.gr)**

Format & Structure:

PAM Workshops feature a keynote speaker's presentation followed by around 15 research papers, to be presented in plenary sessions of about 45 minutes each. Participants are encouraged to present their recent or ongoing research findings related to any of the fields of applied microeconomics listed above.

Submission Guidelines:

Please submit a working paper of your recent or ongoing work outlining the objectives, methods, and findings of your proposed presentation. **There are no submission fees** for this workshop. You can submit your paper online [here](#).

Workshop Venue:

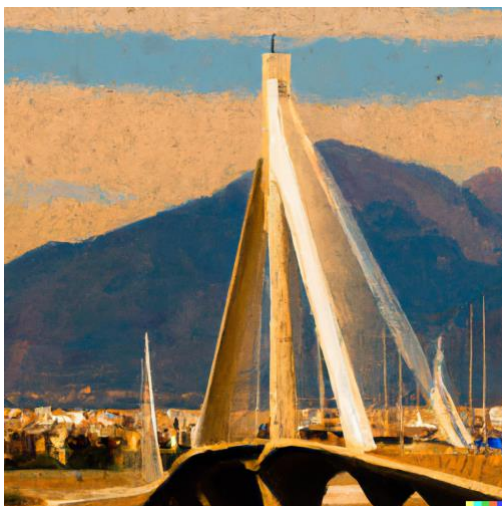

International Olympic Academy (IOA), Ancient Olympia, Greece.

- Information about the venue is provided [here](#)
- Location of venue on Google Maps is provided [here](#)

Registration:

Registration for the workshop will become available once your submitted paper has been accepted. **There are no registration fees**. Accepted presenters will receive additional information about their accommodation in due course.

We are excited to receive your work and anticipate a vibrant inaugural **Patras Applied Microeconomics (PAM)** Workshop. Let us come together to advance the practical applications of microeconomic theory and contribute to evidence-based decision-making across various sectors.
